

SUPPORT AN ARTIST

2022
ANNUAL
APPEAL
CAMPAIGN

Salem Art Works' (SAW) mission is to provide a unique alternative arts learning and experimental environment for young, emerging, and established artists. With that purpose in mind, we aspire to assist in the creation of new and progressive work in addition to promoting the understanding and appreciation of contemporary art in Upstate New York and the world.

2022

ANNUAL
APPEAL
CAMPAIGN

Dear Donor,

Our 2021 season reminds us of how change can often promote positive growth and bring a new perspective to our long-term vision, during these challenging times.

2021 was an exciting year of change at SAW. We have a new Executive Director and included many new unprecedented initiatives. We also enter 2022 with improvements to our campus including a new Welding Bay that allows for new workshops to take place during the winter months. The new workshops have been so popular that they sell out almost immediately after we post them. We have also renovated Barn 4 to enhance the Ceramics Program and will be a working facility for other artists.

This upcoming season will be our first full season since 2019. In addition to our current residency programs and workshops, we are now pleased to announce that Salem Art Works will be hosting a Family Friendly Residency. The Family Friendly Residency was developed in response to our Salem Teen Arts program to provide on-campus housing and meals for families traveling from outside the region.

We are all excited to announce that our 518 Residency Program has continued to evolve in its second year, becoming the NY / VT Artist Residency. The NY / VT Artist Residency celebrates the artistic excellence of underserved artists from New York and Vermont. With this goal in mind, the NY / VT Residency was designed to remove financial and other obstacles which may stand in the way of artists wishing to apply for a SAW residency. This program has brought an incredible community of local artists to SAW and created opportunities for them to produce some truly spectacular work.

This season, The Young and Studio Artist Programs as well as salem2saalem will return to SAW. We are currently able to include artists from most other countries, allowing our programming to flourish.

We are looking forward to our 17th season and are excited to welcome everyone back to participate in our workshops, programs, studios, and special events.

See you all soon!

Pearl Cafritz
Executive Director
