# HELP SUPPORT SAW'S MISSION

Founded by Artist Anthony Cafritz in 2005, Salem Art Works' mission is to promote the creation and appreciation of art regionally and internationally. SAW provides resources, a 119 acre campus, including support for artists, groups, and organizations through collaborations and partnerships, creating a cultural hub of artistic experience. The panoramic view and density of facilities onsite serve as an amazing backdrop for exchanging ideas and exploration. Salem Art Works encourages artists working in any media, at any stage of their career, to apply and collaborate with its events, workshops, exhibitions, and artist residencies.

## ANNUAL APPEAL CAMPAIGN

Dear Donor,

We hope that you are as impressed as we are by our statistical highlights from the 2022 season. More artists and individuals participated in programming at Salem Art Works in 2022 than any other season in SAW's history. Starting prior to covid, SAW began to develop strong workshop programming outside of our residencies.

Workshops had a total of 347 participants. A remarkable showing!

Poultney Arts Day had a total of 480 students attend and learn from the directors of our Blacksmithing, Glass Blowing, Ceramics, and Foundry programs.

Salem Teen Arts had 68 teens participate in workshops including Glass Blowing, Blacksmithing, Welding, Ceramics, and Painting.

Over the 2022 Season, SAW had 116 Artists in Residence over 7 residency programs.

Music on the Hill had over 550 people in attendance. These free concerts bring local and regional acts to SAW for a fun evening on the hill with music and food.

Taste of SAW sold out for the second straight year with 135 in attendance.

The exhibits at our North Main Street Gallery had over 400 individuals attending 8 openings, with 82 artists exhibiting.

Festival of Fire had a total of 45 artists attend the weekend long event.

The annual auction had over 155 items donated.

Thank you to all who participated!
